

Career Week - What's Your Story?

Answer the following questions to the best of your ability using short sentences or bullets.

Tell me about yourself in ten seconds. Tell me about yourself in 30 seconds.

In one sentence, who are you as a developer? In three sentences, what sets you apart as a developer?

What about your career journey is memorable? What about your journey is relatable?

What is your value proposition?

What makes you a good fit for this opportunity?
